BARCELONA

**LOCO BARBER A DELICIOUS,
DEADLY WINE**

It is an expressive, daring wine, with a very vivid blood red color. Loco Barber is fresh, fine, flavorful and mineral, where red fruits predominate - especially strawberries - dominate, complemented with lactic notes.

The palate shows a unique softness and freshness; attributes that make it a vice for the senses.

It combines perfectly with all kinds of meat-related food, such as stews or game stews.
