BARCELONA

THE LOVER, A WINE THAT MAKES ONE FALL IN LOVE WITH IT

A very special wine of a beautiful pale, clean and bright color, with greenish reflections, defined by the variety used. Made with Chardonnay grapes, which brings unctuousness and roundness. It stands out for its elegance and complexity, with aromas of fresh white fruit such as pear, apple and melon, with floral hints and notes of figs.

Long finish, balanced, without hard extremes or aggressive acidity. It has a wide variety of flavors, which are defined by white fruit.

Ideal to accompany white fish, grilled and smoked fish, seafood, white meats, vegetarian dishes, pastas, roast chicken, poultry with cream sauces and little seasoning and spicy food.
