BARCELONA

THE POLICEMAN, A CURIOUS AND OBSESSIVE WINE

It is a fresh wine of an intense cherry color with ruby iridescent. It enjoys the characteristics of the red Grenache of the area, highlights its powerful minerality with aromas of wild red fruit and floral notes reminiscent of violets, eucalyptus leaves and graphite.

Its intense personality does not detract from the elegance it brings to the palate. On the palate it is fresh and easy on the palate.

Ideal to combine with legumes, rice, stews, fish in sauce, meat stews, red and white meats, cheeses matured for a short period of time or semi-cured cheeses.
